WELCOME TO MOAT HOUSE

Located in Burbage near Hinckley, Leicestershire, Moat House offers excellent standards of residential and dementia care. Our welcoming and compassionate team provide person-centred care, tailored around each individual and their own unique needs and preferences.

Each of our five separate care suites has its own restaurant-style dining room and lifestyle kitchen. Our catering team take great pride in preparing a great choice of high-quality fresh food for residents to enjoy.

With a range of lounges and relaxation areas, residents can find the perfect mix of social interaction in our beautifully decorated communal areas or privacy in our luxurious ensuite bedrooms. For a spot of fresh air, our award-winning sensory garden also includes patio seating areas, an aviary, water feature and a relaxing spinney walk.

LIFE AT MOAT HOUSE

We host a varied and engaging programme of activities and events, designed to enhance residents' physical, mental, and spiritual well-being. From creative pursuits to regular visits from local performers and entertainers, our activities are curated to inspire and engage. Residents living with dementia are supported with sensory areas, reminiscence activities, and memory boxes to encourage a sense of peace, belonging and wellbeing.

For day-to-day enjoyment, we also have a choice of lifestyle facilities throughout the home, including a spa bathroom and hair salon and nail bar for a little pampering. In addition to our café, we are pleased to have our very own in-house pub, the Horse & Hounds, where residents can enjoy catching up over their favourite tipple. Residents also enjoy gathering to watch their choice of film in our Flicks Cinema.

Our friendly team are always on hand to ensure Moat House is a true home from home.
